

UPPRESS' vision is to be established on the market based on its principles towards the environmental protection, the customer satisfaction and the employees' health & safety. Our corporate responsibility and business ethics have led us to incorporate values into our strategy that have been achieved by:

- Better economic growth both for society and the company.
- The development of human capital and the employment of its skills.
- The Environmental protection.

Our commitment to the environmental protection has led us to adopt the principles of the Forest Management Board FSC-STD-40-004 v3-0 and to support the environmental, socially beneficial and economically sustainable management of forests.

We declare and commit ourselves that UPPRESS takes every possible measure to ensure that is not directly or indirectly involved in the following activities:

- Illicit logging or trade in illegal timber and forest products.
 - Violation of human rights in the forest sector.
 - Destruction of the conservation of values in the forest sector.
 - Major conversion of forests into non-forest plantations for non-forest exploitation.
 - Introduction of genetically modified organisms in the forest sector.
- Violation of the ILO core conventions, as defined in the ILO Declaration on Fundamental Principles and Rights at Work, 1998.

The certification of UPPRESS was based on the FSC-STD-40-004 v3-0 standard and describes a management system designed to effectively monitor the trade of FSC-STD-40-004 v3-0 paper and cartons. This monitoring covers all stages from the receipt of the raw materials, their finishing, until the delivery to consumers, ensuring that raw materials have been used in accordance with the requirements of the standard and the responsible management of forests.

UPPRESS expressly declares that it adopts the Sustainable Forest Management System (FSC-STD-40-004 v3-0) which helps to tackle illegal logging and mitigate climate change in a cost-effective way with the adoption policy of the FSC-STD-40-004 v3-0 system.
